Location: New Delhi, India

Professional Summary

Results-driven Computer Science graduate with strong skills in Python, C++, Data Structures, and Machine Learning. Passionate about developing innovative solutions, analyzing data, and contributing to impactful projects. Quick learner and effective collaborator in team environments.

Skills

- Programming Languages: Python, C++, Java, SQL
- Web & Tools: Flask, Django, HTML/CSS, Git, VS Code
- Data & ML: Pandas, NumPy, scikit-learn, Matplotlib
- Other Skills: Problem Solving, Data Analysis, Algorithm Design

Education

Bachelor of Science in Computer Science (BSc AIML)

XYZ University, New Delhi

August 2020 - May 2024

CGPA: 8.7/10

Relevant Coursework: Data Structures, Artificial Intelligence, Machine Learning, Database Management

Projects

ATS Resume Matcher (Python, Flask) - Developed a web application to match resumes against job descriptions using keyword extraction. Implemented PDF parsing, text preprocessing, and simple scoring algorithms. Improved candidate-job match accuracy by 25%.

Movie Recommendation System (Python, scikit-learn) - Built a content-based recommendation system using movie metadata and user ratings. Applied data cleaning, feature engineering, and similarity metrics. Achieved 80% recommendation accuracy on test data.

Portfolio Website (HTML, CSS, JavaScript) - Designed and deployed a personal portfolio website showcasing projects and skills. Implemented responsive design and interactive UI elements.

Internships / Experience

Data Science Intern - ABC Tech, New Delhi (June 2023 - August 2023) - Analyzed large datasets and generated actionable insights using Python and SQL. Built dashboards in Tableau for performance tracking and reporting.

Web Developer Intern - XYZ Solutions (January 2023 - March 2023) - Developed responsive web pages and enhanced UX using HTML, CSS, and JavaScript. Collaborated with the backend team to integrate REST APIs.

Achievements

- Secured 1st place in Hackathon 2023 at XYZ University.
- Certified in Machine Learning by Coursera (Andrew Ng).
- Published a research paper on AI in Resume Screening at University Conference 2023.

Hobbies

- Coding challenges on LeetCode & HackerRank
- Blogging about AI & Technology
- Playing Chess & Table Tennis
